ORDER:-

In the reference read above, the E-in-C (R&B) State Roads has stated that the Inner Ring Road is an important Major District Road which connects NH-7(Hyderabad-Banglore section), NH-9 (Hyderabad-Vijayawada section), and Hyderabad-Srisailam State Highway. The road connects many important junctions and interlinks with number of roads in Hyderabad city and it also connects with Rajiv Gandhi International Airport, due to recent major development activities in the city, the traffic increased enormously. He has certified that the Stage -I approval is not required as detailed investigation is completed and designs are finalized.
